STATEMENT BY MENTOR

I, the undersigned ________________________________
undertake supervision of the candidate ________________________________,
who has applied for enrolment in the academic year 2020/21 in the Interdisciplinary
Doctoral Study Program in BIOSCIENCES, in the scientific field ________________________________.

Important:
Mentors and co-mentors in doctoral studies shall be university teachers with the title of
assistant professor, associate professor or full professor, or academic worker with the title of
scientific associate, senior scientific associate or academic counsellor, and shall demonstrate
their research work, with the requisite bibliography, from the broader field covered by the
document dissertation. The minimum condition for proven research activity of a
(co)supervisor, is a bibliography of the last five years that achieves 150 points according to
SICRIS and has an index of important achievements A^1/2 higher than 0 points.

Mentors and co-mentors may also be persons with the appropriate habilitation of another
institute (domestic or foreign) and who have references from the broader field covered by
the topic of a doctoral dissertation, and who work in a study programme or are employed by
an institute with whom the UL or a member faculty of the UL has concluded an agreement or
entered into a cooperation agreement.
A mentor may serve in that role for a maximum of six doctoral candidates in a four-year
doctoral study programme and for a maximum of five doctoral candidates in a three-year
doctoral study programme, provided that candidates are enrolled in a doctoral study
programme and are making regular progress in that programme. That number shall not
include doctoral candidates who have submitted their dissertation for assessment. The
aforementioned restriction shall not apply to co-mentors.
