

**INTERDISCIPLINARY
DOCTORAL
STUDY PROGRAM IN
BIOSCIENCES**

ACADEMIC YEAR 2022/2023

STATEMENT BY MENTOR

I, the undersigned _____
undertake supervision of the candidate _____, who has
applied for enrolment in the academic year 2022/23 in the Interdisciplinary Doctoral Study
Program in **BIOSCIENCES**, in the scientific field _____.

Important:

Mentors and co-mentors in doctoral studies shall be university teachers with the title of assistant professor, associate professor or full professor, or academic worker with the title of scientific associate, senior scientific associate or academic counsellor, and shall demonstrate their research work, with the requisite bibliography, from the broader field covered by the doctoral dissertation. The minimum condition for proven research activity of a (co)supervisor, is a bibliography of the last five years that achieves 150 points according to SICRIS and has an index of important achievements A^{1/2} higher than 0 points.

Mentors and co-mentors may also be persons with the appropriate habilitation of another institute (domestic or foreign) and who have references from the broader field covered by the topic of a doctoral dissertation, and who work in a study programme or are employed by an institute with whom the University of Ljubljana (UL) or a member faculty of the UL has concluded an agreement or entered into a cooperation agreement.

A mentor or co-mentor may serve in that role for a maximum of six doctoral candidates enrolled in any doctoral study programme at UL and no more than two years have passed since their last enrollment in the year or additional year. That number shall not include doctoral candidates who have submitted their dissertation for assessment.
